EXAMINER'S AMENDMENT ✓

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to an applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The following changes have been made in a subject of the application to place the claims in a condition for allowance:

Claims

In claim 3:

- Line 3, changed "inner" to --outer--.

The above change was made to avoid unclear language and to place the application in better condition for allowance.

REASONS FOR ALLOWANCE ✓

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-14 and 25 are allowed because none of the prior art references of record teaches an ink jet delivery system comprising a second sealing member operatively connected to the retainer member, the second sealing member forming a second seal with a pen tower, wherein when the pen tower and the manifold are operatively engaged with each other, a substantially redundantly sealed passageway is formed for the transfer of ink from the manifold to the pen tower in the combination as claimed.

Claims 15-24 are allowed because none of the prior art references of record teaches an ink jet delivery system comprising a second sealing member operatively connected to a pen tower, the

second sealing member forming a second seal with the manifold assembly when the pen tower is operatively engaged to the manifold assembly in the combination as claimed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
